Lawrence R. Herrholtz, *Principal*  
Michael J. DeToro, *Assistant Principal*  
Ronald A. DeJulio, *Athletic Director*

Caitlin Schnurrenberger, *School Counselor*  
Trista Gustas, *School Counselor*  
Brittney Abbott, *School Counselor*

## Quarantine Protocol for Student Learning

In order to better educationally serve our students at Lakeview during a COVID quarantine or long term illness (10 days), students will be sent video lessons to watch on the material covered in class or provided other instructions to complete daily work if healthy. Asynchronous learning allows the student to learn at home with their Lakeview classroom teachers instructing, affording the student the ability to pause/rewind the video for understanding/comprehension. The students are expected to watch the video(s) assigned and complete the assessment for the day (quiz, paper, writing, notes, etc). Often, self assessment checks for understanding are embedded in the videos. The video instruction and assessment will be graded. Any additional assignment given to students in class will be posted under the classwork tab. Students will be able to submit all homework assignments in google classroom upon completion.

Please note:

**ALL** student work, from video to assessments, will be graded and checked for understanding. Major assessments (ex. chapter test) will be taken upon return from quarantine.

Complete the following checklist daily when on quarantine:

- Check Google Classroom Stream for messages
- Complete Video Lessons
- Complete Chapter Notes
- Check Classwork Tab of Google Classroom for Assignments
- Self Assessment (when applicable)
- Check Email
- Check Progressbook (self monitor grades)

If you have questions for your teachers:

- Email teachers with questions or for clarification ASAP. Make it a priority for your education.
- An additional support option is GoGuardian's text chat or video call features, which can be used at student request and teacher discretion for real-time communication.

Parents/Guardians:

We highly recommend you monitor your child's grades on Parent Access and stay up-to-date with your child's assignments through email summaries from Google Classroom.
