

Bulldog Brief

Lakeview Elementary School Family Newsletter

Volume 1, Issue 8

April 11, 2024

Principal's Message Ryan Stowell, Principal

March was a comparatively quiet month here at Lakeview Elementary, but still featured a number of activities and events.

We are grateful to our PTO volunteers who setup, ran, and packed up the spring book fair. The book fair provides students and families with the opportunity to purchase books and other items.

PTO volunteers also organized and distributed hundreds of boxes of Daffin's candy for the annual Daffin's candy sale.

We appreciate all of your support of the PTO fundraisers. The PTO and our teachers are currently planning end-of-year field trips and activities which are only financially possible because of your support of these fundraisers.

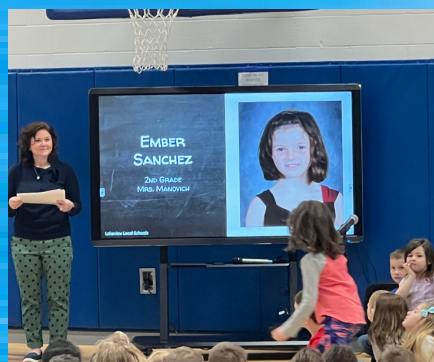

Our kindergarten classes presented our final student-led Pawsitive Assembly on March 27th. It was an excellent presentation, as all of them have been this year. These assemblies have been a great addition this school year.

April will be a busy month of state testing and other end of the year assessments. We are also looking forward to the 1st grade music program on April 17th.

In a few short weeks it will be May and we will be having many fun and exciting end of the year activities.

Please contact me at anytime with any questions or concerns you may have. You can reach me at ryan.stowell@lakeviewlocal.org or 330-638-2145.

Guidance Update

Brittney Abbott, Guidance Counselor

Ohio passed legislation known as “Erin’s Law” that requires all schools to provide elementary students with developmentally appropriate instruction in child sexual abuse prevention beginning this school year. We will be using a state approved program from [Fight Child Abuse](#). I will be presenting these lessons in the next few weeks.

Our 3rd & 4th grade students will be taking Ohio’s State Tests between April 16th and May 3rd. It is helpful to follow your normal routines, making sure that your child is well rested and has a positive morning on testing days. Also, if you have a planned absence on a testing day please contact me as soon as possible so that we can plan accordingly for your child to make-up the assessment.

Please contact me at brittney.abbott@lakeviewlocal.org or 330-638-2145 with any guidance questions or concerns.
